شركة نوتردام للإنشاءات المعدنية ذ.م.م  
NOTREDAME METAL CONSTRUCTION CO.LLC

STRUCTURAL STEEL DESIGN AND BUILD CONTRACTOR

## **Brief introduction on M/s NOTREDAME METAL CONSTRUCTION CO. LLC.**

M/s Notredame Metal construction Co. LLC established in 2003 (20 Years) is a market-leading “One-Stop-Shop” solution for structural Steel Design & Build company located in Dubai and other emirates that helps transform your complex project designs into iconic structures.

We offer the full range of design-build integrated projects services for best-in-class manufactured products including,

- **primary Hot rolled and Built up steel ,**
- **Architectural Steel**
- **Secondary steel**
- **Non –Structural Metal works and etc...**

## **Our Factory and Facilities :**

**M/s Notredame Metal construction Co. LLC's Manufacturing Facility is located at Sharjah Sajaa Industrial City – UAE, having a production capacity of up to Approx 12,000 MT/year. As one of the largest steel manufacturing companies in UAE, we are equipped with state-of-art equipment and technology to produce quality and durable product.**

**Production Area -94,250 SQFt,**

**Sand blasting & Painting Area -25,000 SQFt.**

**Storage Yard – 25,000 SQFt.**

**Our Manpower Strength is totaling around 478 Nos. and equipped with a long fleet of site construction equipment, cranes, lifting and access equipment & scaffolding and etc...**

## **Our Services and expertise:**

- **Design, Engineering & Detailing.**
- **Fabrication.**
- **Grit Blasting ,Painting & Fireproofing.**
- **Site Installation.**

**Accredited to ISO9001:2015; ISO 14001:2015; and ISO 45001:2018**

**We are Approved from local Authorities Dubai Municipality holding Unlimited license & others like DDA , Trakhees in Dubai, Also holding license from Sharjah , Abu Dhabi Municipality too.**

**Also ,We are Approved license Holder from RTA to execute works as design and Build structural Steel Bridge contractor.**

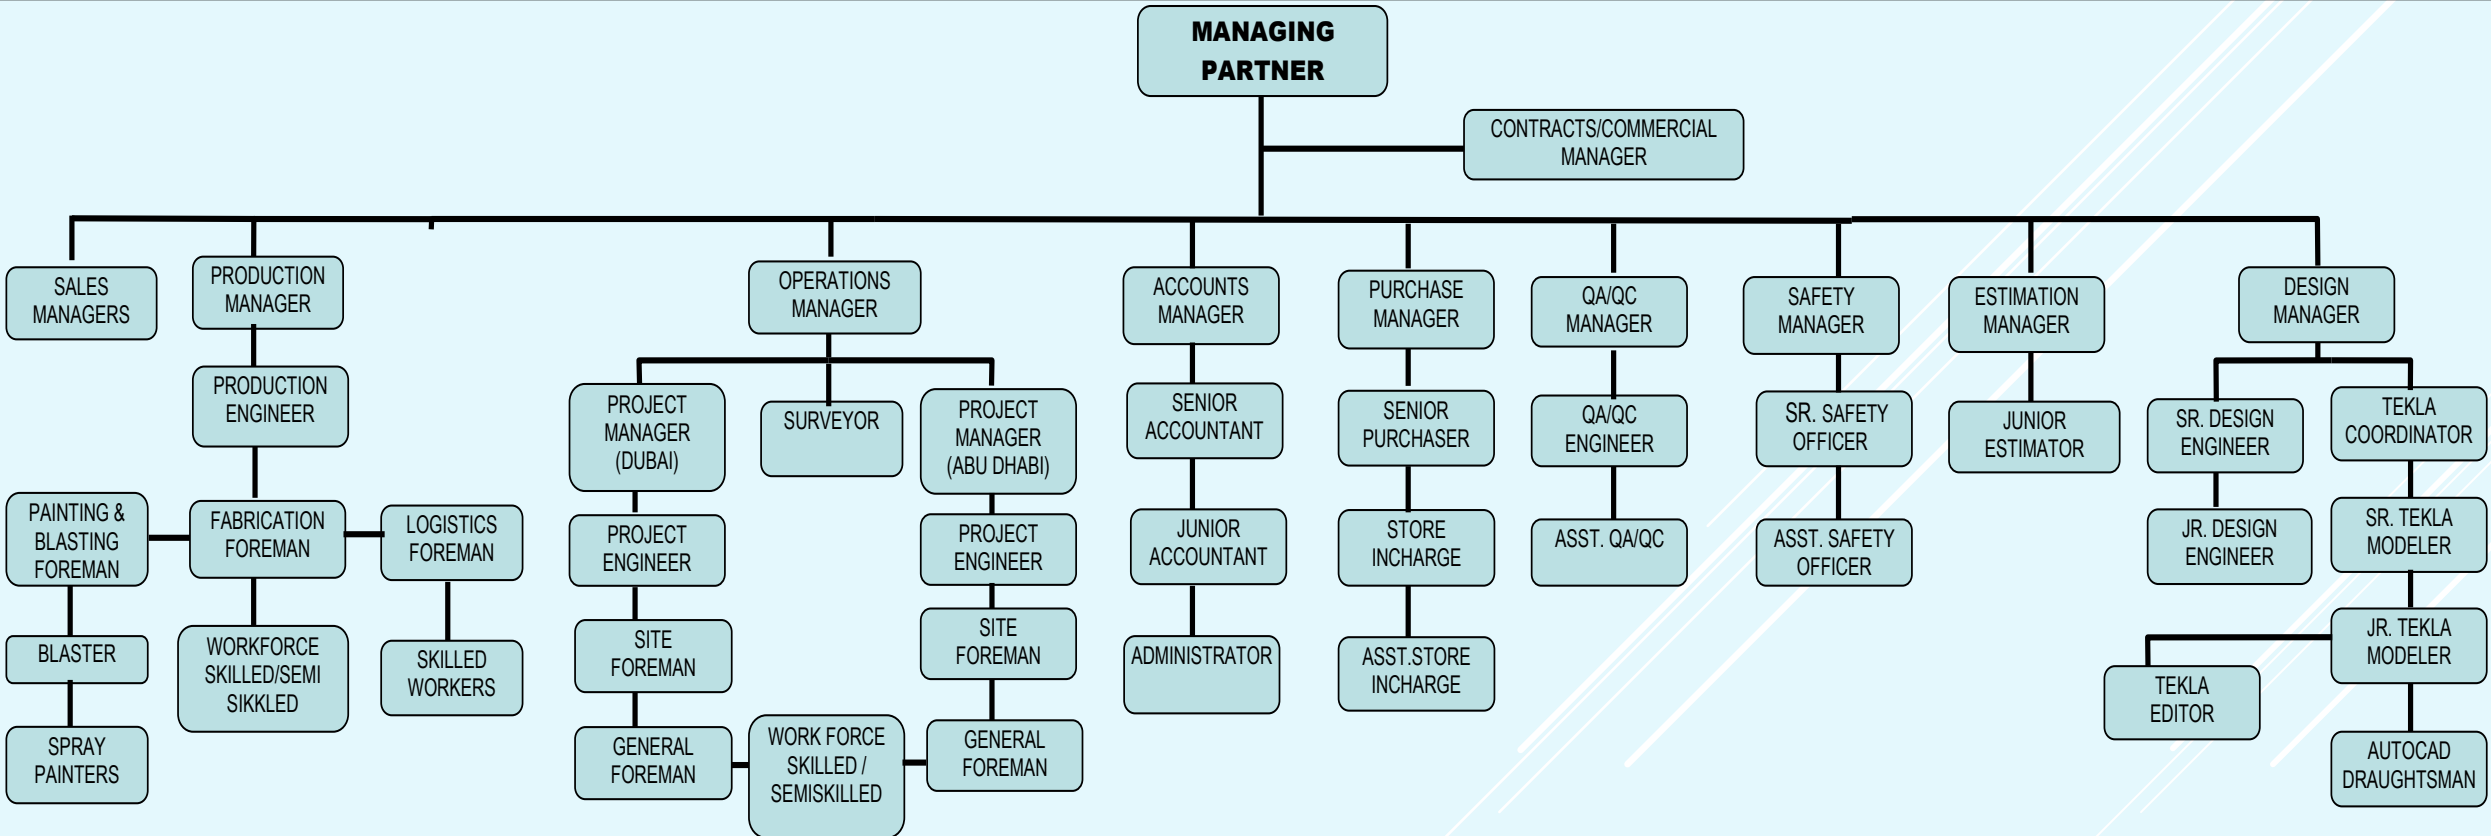

## **Our product sectors :**

- **High Rise Towers and Roof features.**
- **Retail, Commercial Buildings and shopping Malls**
- **Industrial buildings**
- **Stadiums and sports complex**
- **Airports and Hangers.**
- **Long span roof structures,**
- **Oil & Gas fields , Petrochemicals & Petrol stations.**
- **Schools and Villas .**
- **Factories, warehouses**
- **Steel Bridges.**
- **As well as Non-structural Metal works like signature Spiral , Helical staircases, Handrails, Ladders and etc. ....**

## NOTREDAME METAL CONSTRUCTION LLC. ORGANISATION CHART

# **PROJECT EXECUTION FACILITIES :**

## **DESIGN & ENGINEERING DEPARTMENT**

- Structural Engineers
- TEKLA Detailers
- Nesting detailer for CNC plate cut

## **FABRICATION & FINISHING DEPARTMENT**

- Production manager
- Process engineers
- Fabrication supervisors
- Production planning coordinators Machine operators
- Fabricators, welders & workers Blasting & painting workers
- Painting yard supervisor

# **PROJECT EXECUTION FACILITIES :**

## **PROJECT MANAGEMENT DEPARTMENT**

- Contracts & Commercial Manager
- Operation Manager
- Project Manager
- Project Engineers
- Project Coordinator
- Project Planning Engineers

## **ERECTION DEPARTMENT**

- Erection/Site Engineers
- Supervisor/Foremen
- Skilled erectors & helpers

## **SURVEY DEPARTMENT**

- Land surveyors
- Chain man

# **PROJECT EXECUTION FACILITIES :**

## **PROCUREMENT DEPARTMENT**

- Purchasing officers.

## **QHSE DEPARTMENT**

- Quality assurance engineers
- Quality control officers Welding engineer
- Third party NDT services.
- Safety engineers & officers

## **LOGISTICS DEPARTMENT**

- Equipment, crane, pickup & etc...
- Transportation controller

## **STORES DEPARTMENT**

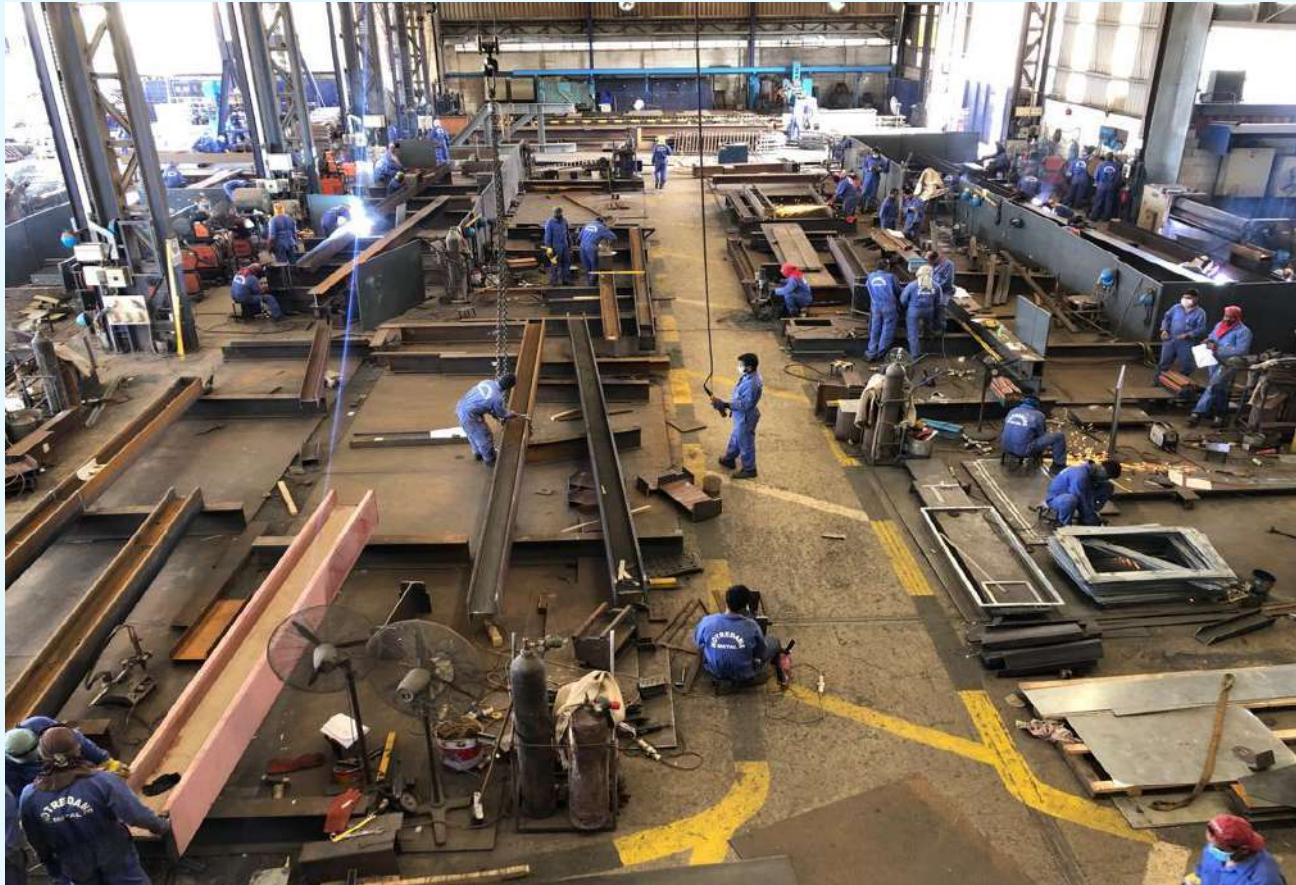

- Store Chief Controller Assistants

# **FABRICATION FACILITIES :**

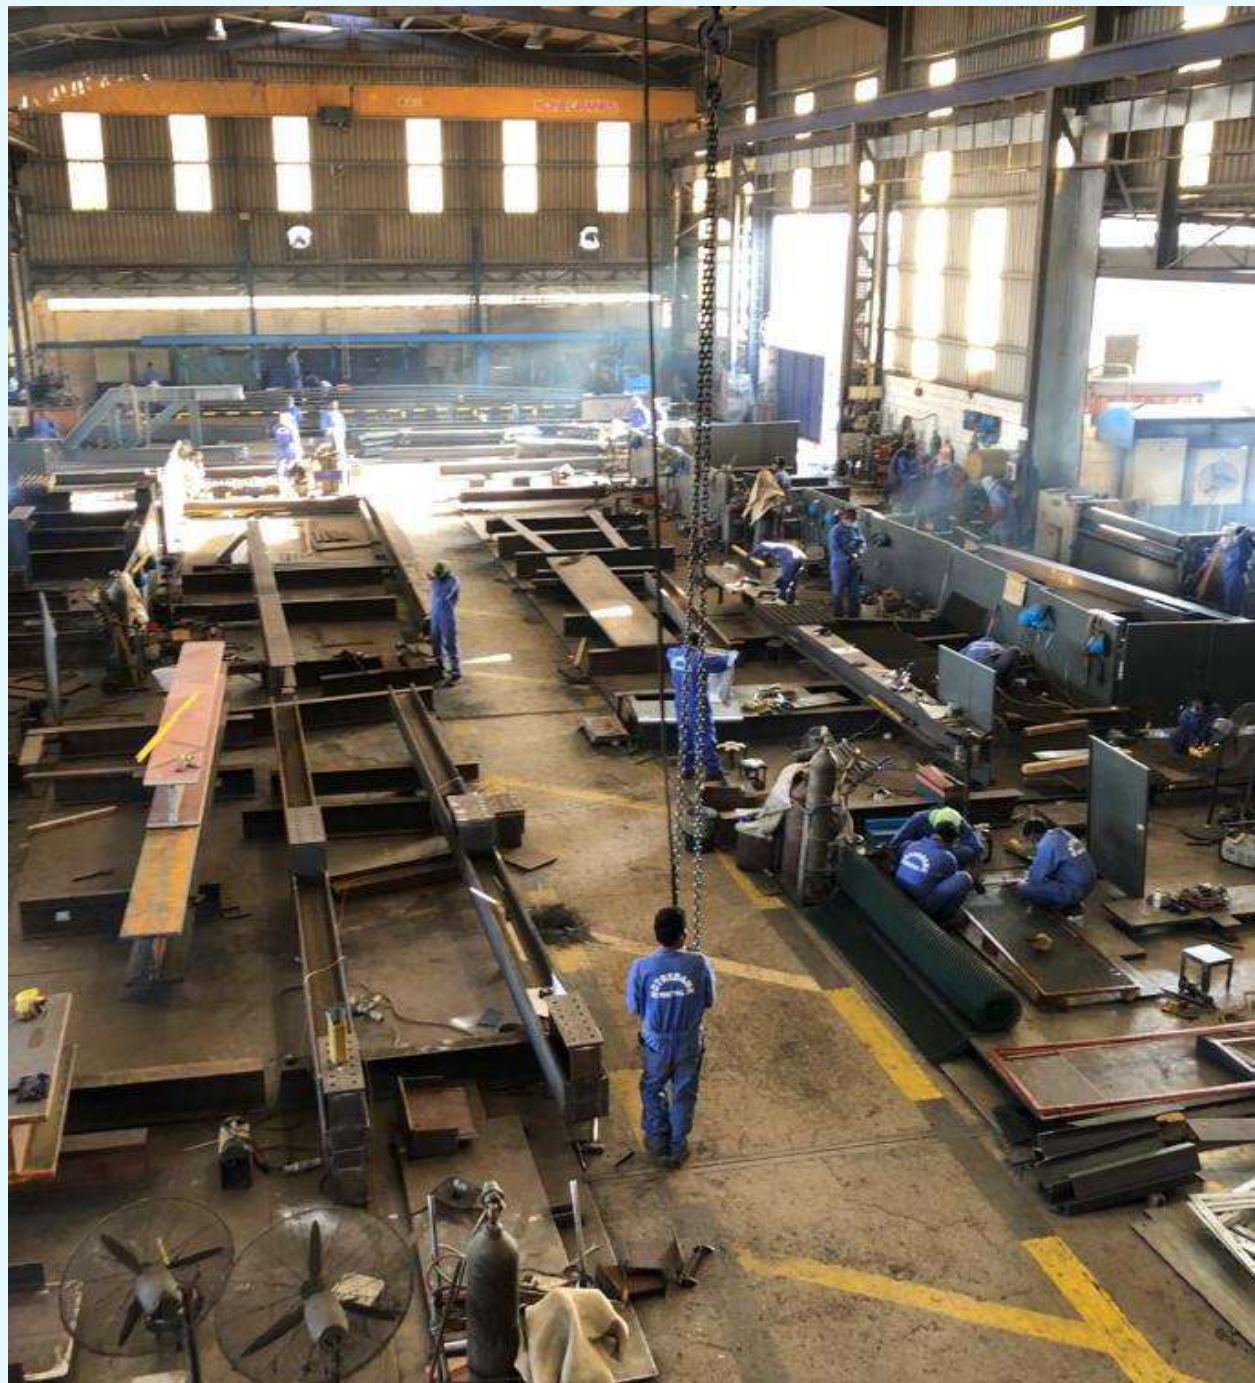

M/s Notredame Metal Construction Co. L.L.C., having fully equipped with modern facilities full fledged Production capacity of up to 1000 MT per month Using CNC manufacturing. Having various production lines at different bays like prefabrication, assembly, welding, rolling, shearing grinding and state-of-the-art equipment.

# ▶ **FABRICATION FACILITIES :**

# **FABRICATION FACILITIES :**

**SUBARC WELDING MACHINES**

**CUT OFF MACHINE**

**PROFILE CUTTING MACHINE**

**FORK LIFT**

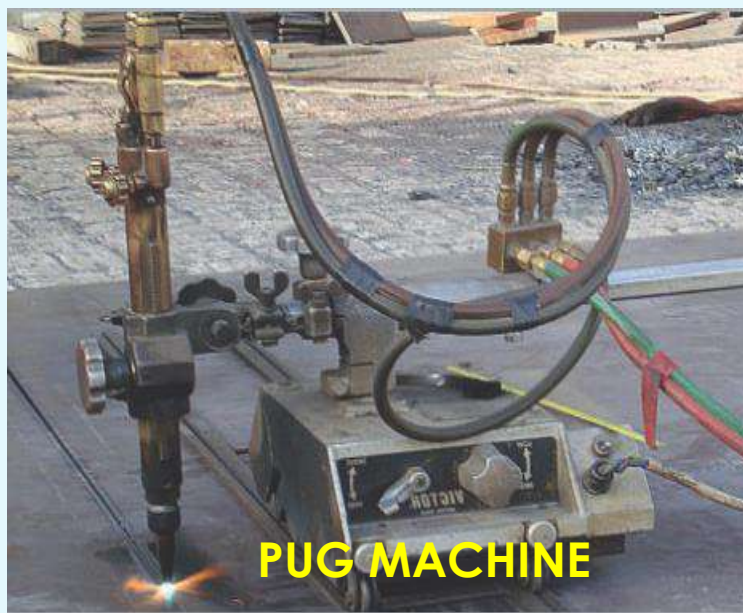

**LATHE MACHINE**

**RADIAL DRILL MACHINE**

# FABRICATION FACILITIES :

# ▶ **BLASTING & PAINTING FACILITIES :**

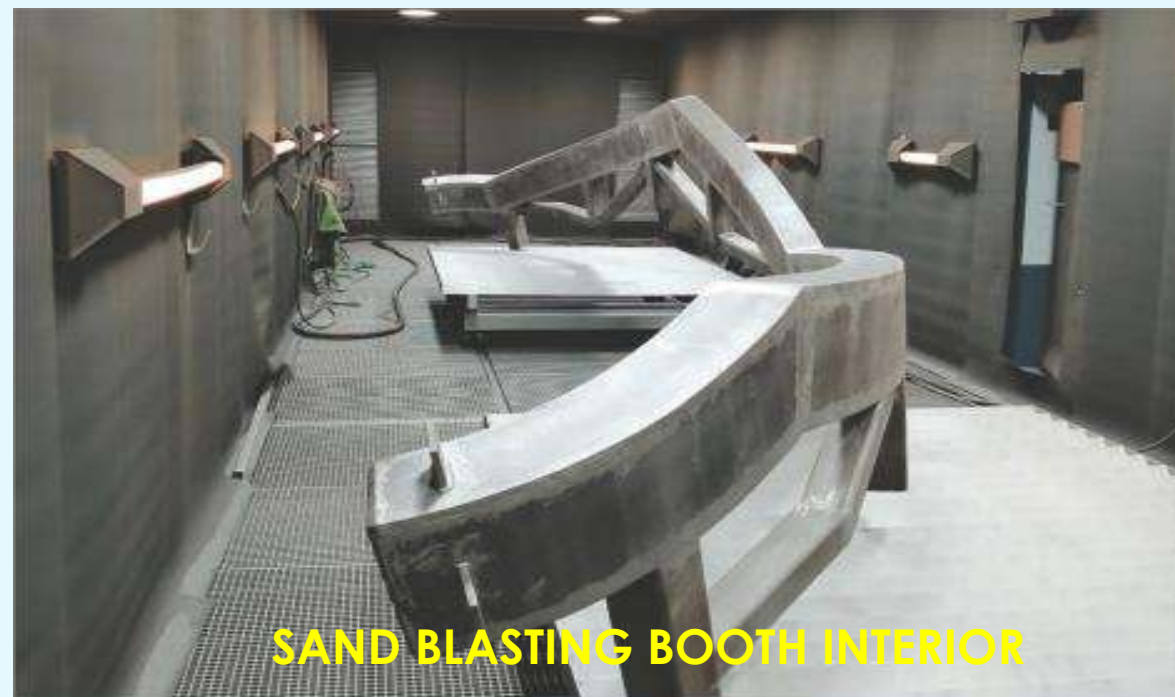

**PAINTING & BLASTING YARD**

**PAINTING & BLASTING YARD**

**SAND BLASTING BOOTH**

**SAND BLASTING BOOTH INTERIOR**

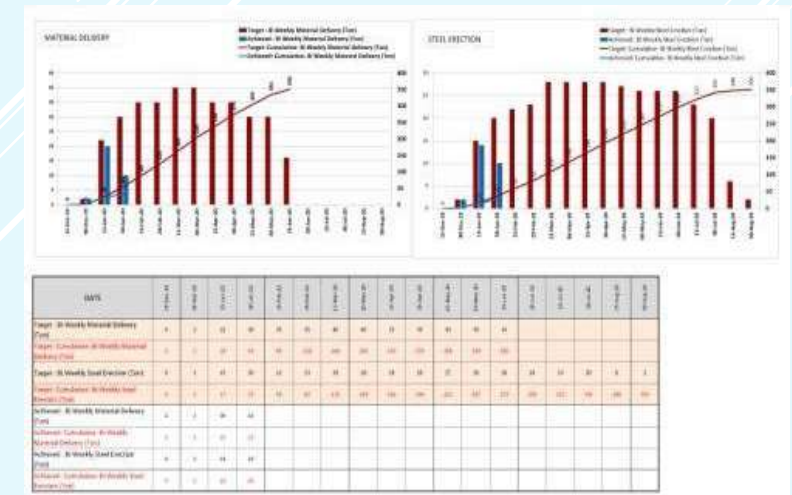

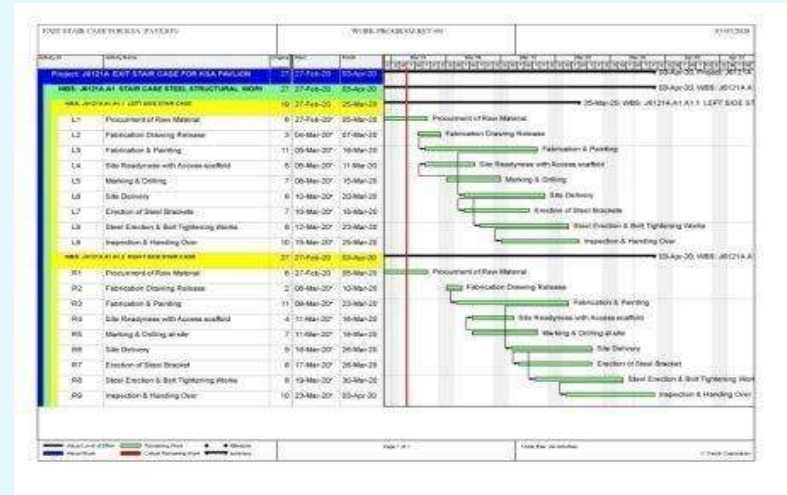

# PROJECT MANAGEMENT DEPT:

In M/s Notredame Metal construction Co. LLC, a dedicated project manager is assigned as a single point of contact for the client. Their job is to ensure information flow between all parties, coordinate with departments within the organization, monitor design, drawing & detailing, production, erection up to completion on site as per defined contractual scope of works and following responsibilities but not limited to:

Preparation of project management plan which contains:

Integration with customers, all internal functional departments and subcontractors (if any)

Submission of Baseline work program and monitoring & controlling of any variances against as planned performance.

## **PROJECT MANAGEMENT DEPT:**

Submission of construction sequence and erection methodology by assessing all respective conditions.

Submittals of technical documents like Quality Plan, ITP, HSE Plan, steel, bolts, painting materials, lift plan & etc...

Submission of detailed resources histograms for site equipment, manpower and availabilities for each phases.

Monitoring & controlling the everyday project activities and progress at site by ensuring that no factors affects the construction program unless otherwise if any reasonable changes sustains.

Attending weekly site progress meetings with the stakeholders meeting their day to day requirements and submission of weekly progress & status reports.

Managing all Planning, monitoring & controlling of everyday operations (executions) by integrating and communicating with each stakeholders meeting their expectations by taking all proactive steps.

# **QHSE DEPT.:**

Meeting the essential requirement of ISO 9001:2015; ISO14001:2015 and ISO 45001:2018

**NOTREDAME METAL CONSTRUCTION Co. L.L.C** has established and implemented ISO based procedures and has a complete ISO compliant QA Manual that includes all the procedures by strictly complying with relevant technical standards as per client specifications.

For further comprehensive details you may refer to NMCC QHSE PLAN and associated procedures performed in every department and stages

## **QHSE DEPT:**

Complying with applicable HSE regulatory requirements at each location.

**NOTREDAME METAL CONSTRUCTION Co. L.L.C** has proven its compliance to all the safety rules for each project by being named as **SAFE CONTRACTOR**

Auditing QHSE activities at regular intervals at each facility to monitor its effective implementation and to take corrective actions, wherever required.

Create a proactive HSE culture through awareness, training and motivation to achieve continual improvement in HSE performance.

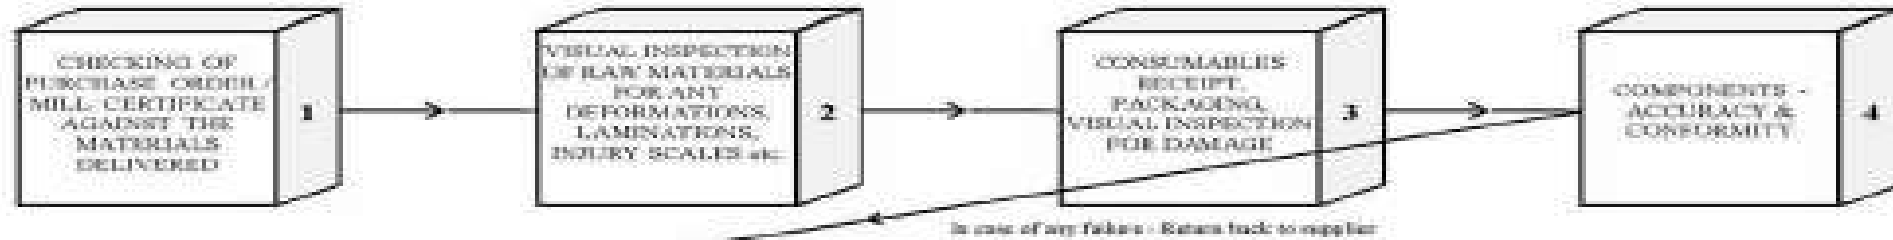

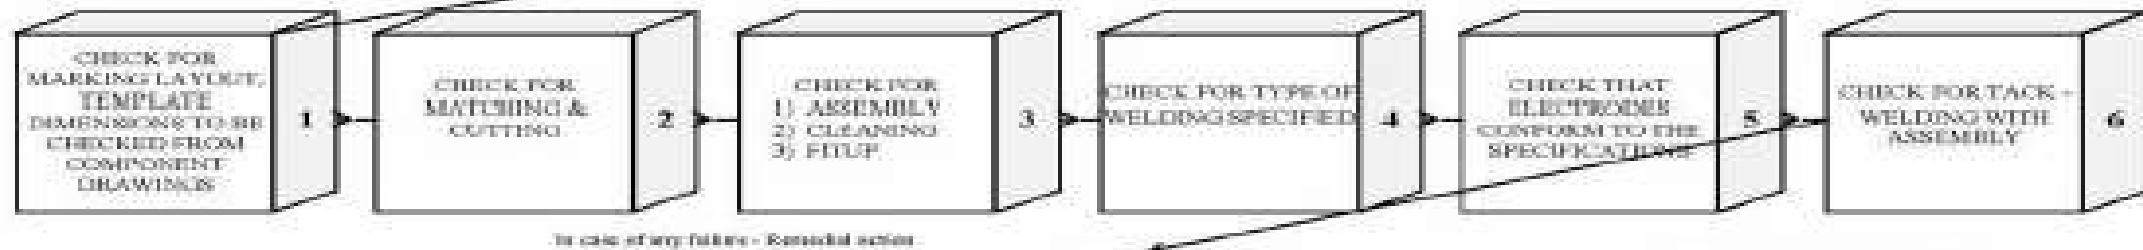

# QUALITY INSPECTION FLOW CHART:
